IN RE: Petition Requesting That Time Warner Cable) ORDER DISMISSING
Information Services Provide Service in) PETITION FOR LACK OF
York County, South Carolina) CAUSE OF ACTION

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Petition from Marcel Rieser and Reuben C. Acosta requesting that Time Warner Cable Information Services (“TCWIS”) provide telecommunications and television cable service in York County, South Carolina. The Rock Hill Telephone Company, d/b/a Comporium, currently provides these services in York County. As a result, both TWCIS and Comporium have asked the Commission to dismiss this matter.

TWCIS states that it has no facilities in the Comporium service area with no current plans to offer service in this area. Additionally, TWCIS is under no legal obligation to provide service in the area already served by Comporium. Furthermore, as Comporium points out in its filings, the Commission has no authority over cable television service and also has no authority to compel a provider to enter a particular market. Therefore, the Commission must grant TWCIS’ and Comporium’s motions to dismiss this matter.

Consequently, the Commission holds that the Petitions of Marcel Rieser and Reuben C. Acosta requesting that Time Warner Cable Information Services provide
